

Linecard

Electronic component distributor

Cooperation with Gamma it's always the right decision!

Without resting on our laurels, we change with the
changing market. We offer our clients not only
components, but also individual solutions.

PN-EN ISO9001:2015-10

**AKER**

Frequency control products

**Ampire**

Liquid crystal displays TFT LCD, OLED

**Arch Electronics**

Power supplies

**Avalue Technology**

Industrial PCs, panel computers, RISC, industrial
motherboards, accessories

**Coto Technology**

Reed relays, switches and magnetoresistive TMR sensors

**DAVE Embedded Systems**

Embedded solutions, SBC computers, SoM modules

**DC Components**

Transistors, semiconductor diodes, rectifier bridges

**Digi International**

SBC single board computers and SoM modules, wireless
communication modules, USB over IP routers and hubs

**DKE**

e-paper displays - EPD

**Foryard Optoelectronics**

Optoelectronics

**Geyer Electronic**

Frequency control products

**HID Global**

RFID solutions

**Hongfa**

Electromechanical relays, HVDC relays for electromobility
and solar installations, contactors, foil capacitors

**iNRCORE**

Ruggedized induction solutions for military, aviation and
space applications

**JB Capacitors**

Capacitors

**Lantech**

Ethernet communication solutions include for industrial,
transport and mining applications

**Microchip**

Analog, semiconductor, Flash, communication solutions,
integrated circuits, microcontrollers, ARM, FPGA

**Mobiletek**

GSM/GPS communication modules

**Neoway**

2G, 4G, 5G and GPS+GNSS communication modules

**Netronix**

Modules, readers, long range RFID solutions

**Power Integrations**

High efficiency power conversion controllers

**Poynting**

Antenna solutions for IoT/M2M applications

**Pulse Electronics**

Induction, antenna solutions, connectors, magnetic
components

**RCL Display**

TFT LCD displays

**Refond**

Optoelectronics

**Siemens**

Design of electrical systems and cable harnesses, design of
PCBs and electronic systems, electronics assembly and
testing, CFD simulations

**Skyworks**

Integrated circuits for wireless communication

**Sonceboz**

Stepper motors

**Varta**

Batteries, micro batteries and rechargeable batteries

**WIZnet**

Ethernet communication solutions

Headquarters in Warsaw

Kacza 6 street loc. A
(entrance from Wolność street)
01-013 Warsaw
masovian, Poland

Working hours

Monday - Friday
from 9 to 17

Commercial inquiries

info@gamma.pl
+48 22 862 75 00
+48 22 862 75 01 (fax)

Sales Office in Zabrze

Pawliczka 25 street
41-800 Zabrze
silesian, Poland

Working hours

Monday - Friday
from 8 to 17

Commercial inquiries

info@gamma.pl
+48 32 278 41 58
+48 32 278 41 91
+48 32 272 81 25
